Spring 2025 SWLYB Picture Schedule

Pictures will be taken in Curry Hall (the building in front of Diamond 2 near the park exit).

Pictures will be taken in front of the green screen so you only need individual pictures and the photographer will create the team picture.

Please be in line by your team's designated time slot.

We are aware that there are some school performances during these times. If your player is part of those performances please bring them early or after your team's time slot.

You can find the picture form on the front page of our website. She will also have them available at the picture location.
